

Winter School on Engineering Mechanics organized by Department of Mechanical Engineering, GIMT Guwahati

Five day Winter school on ENGINEERING MECHANICS was organised by Department of Mechanical Engineering, GIMT Guwahati from 27th of February 2017 to 3rd March 2017 for the students of GIMT Guwahati. The programme covered all the basic fundamentals of Engineering Mechanics and highlighted on the concepts involving statically and dynamically loaded bodies and structures. Moreover a channel was drawn on how these concepts can be interpreted to solve real life problems. Furthermore this short term course formed as an ingredient for the complex subjects in higher semesters. A total of 180 students participated in the programme.

The programme began with an inauguration ceremony with lighting of the lamp on 27th February 2017 which was attended by Prof.S. K. Dutta, Principal, GIMT Guwahati, Prof. N. Saha, AEC Guwahati, Mr. M. R. Singham, Dean (Academic), GIMT Guwahati, Capt. (Retd.) Navy I.P. Sharma, Dean (Administration), GIMT Guwahati, Prof. P. K. Dutta, Senior Professor, Dept. Of Mechanical Engineering, GIMT Guwahati, Dr. B. J. Bora, HOD (i/c), Dept. Of Mechanical Engineering, GIMT Guwahati and many other faculty members of GIMT Guwahati. The programme was initiated by Prof. N. Saha, AEC Guwahati with a lecture on the fundamentals on Engineering Mechanics. The programme was successfully carried out with lectures delivered by various professors from AEC Guwahati and IIT Guwahati as per the schedule of the programme. The programme ended with a valedictory session on 3rd March 2017. The participants received their certificates in the ceremony and the organizing committee collected the feedback of the participants on the programme.
