➤ **The Indian Society for Technical Education (ISTE)** is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,02,985 Life Members, 5,54,094 Student Members, 2410 Institutional Members (including IITs, IISc., NITs and other leading technical institutions), 1214 Faculty Chapters and 1322 Students' Chapters and 17 Sections throughout the country.

The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisations.

➤ **Girijananda Chowdhury Institute of Management and Technology** was established with due approval from the All India Council for Technical Education (AICTE), New Delhi and necessary permission from the State Government. And the first session of the Institute commenced on 13th July 2006. GIMT was affiliated to the oldest and most reputed University in the State i.e. Gauhati University. Since August 2013, the institute has also been affiliated to Assam Science & Technology University. The first post-graduate course in Business Administration leading to award of M.B.A degree was introduced in the year 2008. In 2009, the second post graduate course in Computer Application leading to award of M.C.A degree commenced at the institute. The Institute also has approval from AICTE to conduct post-graduate courses in Computer Science & Engineering (CSE), Electronics & Communication Engineering (ECE) and Instrumentation & Control Engineering (ICE).

➤ GIMT registered as a member of ISTE in the year 2013. Since then it has organized various events under the banner of ISTE. GIMT had successfully conducted the Regional Annual Students' Convention 2014, ISTE, Assam and Eastern States Section on September 2014, a Seminar on 'Cloud Computing' on November 2015 and a National Symposium on 'Recent Threats and opportunities in the field of Engineering' on October 2016.

➤ In this session, the Institute is going to organize the **9th Section level Students' Convention: ISTE Assam and Eastern States Section** to be held on 14th October 2017.
