

**A Staff Development Programme
on
Data mining with Python and Weka
Dept. of Computer Science and Engineering
13th and 14th June, 2018**

Dept. of Computer Science and Engineering is going to organize a staff development program on 13th and 14th June, 2018. Aim of the programme is to draw the attention of laboratoty or other supporting staffs of the college towards the latest tools and techniques of Data Mining using Python and Weka.

Schedule of the Programme:

Time	Day 1		Day 2	
	Slot1	Slot2	Slot1	Slot2
First Half (9.30-11.30)	Introduction to Python (Dr. Th S. Kumar)	Introduction to Python Lab (Dr. Th S. Kumar)	Association rule mining (Dr. Minakshi Gogoi)	Association rule mining lab and Weka lab (Dr. Minakshi Gogoi)
Second Half (1.30-3.30)	Introduction to Data Mining (Dr. Minakshi Gogoi)	Clustering Techniques Clustering lab (Dr. Minakshi Gogoi)	Data Classification (Dr. Th S. Kumar)	Classification lab (Dr. Th S. Kumar)
