### ABOUT GIMT GUWAHATI

The Institute was founded on 7<sup>th</sup> September 2006 as the first non-governmental engineering Institute in the state of Assam under the aegis of the **Shrimanta Shankar Academy Society**, a registered service organization set up in the year 1992 to make significant contribution towards social upliftment through education and also to inculcate among the youth a sense of discipline. The Institute was established with due approval from the All India Council for Technical Education (AICTE), New Delhi and necessary permission from the State Government. GIMT was affiliated to the oldest and most reputed University in the State i.e. Gauhati University. However, the Institute has also been affiliated to newly created university by the Government of Assam named “Assam Science & Technology University” since August 2013. We feel proud to inform you that the U.G. programme in Computer Science and Engineering, Electrical Engineering & Mechanical Engineering are provisionally accredited by the National Board of Accreditation (NBA) from July 2016. The Institute is offering the following courses:

#### Under-graduate Courses:

Sl.No.	Courses	No. of Seats
1	B.Tech. in Electronics and Communication Engineering	60
2	B.Tech. in Computer Science and Engineering	90
3	B.Tech. in Electrical Engineering	60
4	B.Tech. in Civil Engineering	60
5	B.Tech. in Mechanical Engineering	90
6	Bachelor of Computer Application (BCA)	30
7	Bachelor of Business Administration (BBA)	60

#### Post-graduate Courses:

Sl.No.	Courses	No. of Seats
1	Master of Business Administration (MBA)	60

#### **ABOUT ASSAM SCIENCE SOCIETY**

Assam Science Society is the oldest Organization in the country in voluntary sector to popularize and promote science and technology. It was setup in the year 1953 and till date serving the people of Assam through various scientific activities. The Society took a pivotal role in setting up of various Institutions like Institute of Advance Studies in Science and Technology, Regional Science Centre, Guwahati and Guwahati Planetarium. It has been working relentlessly for creating scientific awareness, eradication of superstition, popularizing science education through various activities like rural science fair, popular lectures, teachers training, lecture cum demonstration, exhibitions, talent search and publications. The society has published so far 186 numbers of books on popular science since its inception. Moreover, its bimonthly magazine in Assamese "Bijnan Jeuti" reaches to large number of students and its members. The Society implements its activities through 106 numbers of branches existing in nooks and corners of the state.
