GIRIJANANDA CHOWDHURY
INSTITUTE OF MANAGEMENT AND
TECHNOLOGY

ENGINEERING * MANAGEMENT * COMPUTER APPLICATION

First self financed technical institute with 5 NBA accredited
programmes (AEI, CSE, ECE, EE & ME)

ABOUT GIMT

Girijananda Chowdhury Institute of Management and Technology, Guwahati, was founded on 7th September 2006 as the first non-government engineering institute in the North East India under the aegis of the Shrimanta Shankar Academy Society with due approval from the All India Council for Technical Education (AICTE), New Delhi and necessary permission from the State Government. In 2006, the Institute has been started with the affiliation from Gauhati University, the premier University of Assam. In 2010, State Government of Assam has established the “Assam Science and Technology University” to bring all the technical institutes under the same umbrella. In regard to that, the Institute has been affiliated to Assam Science and Technology University from the year 2013 onwards.

The institute is located at Azara, Guwahati on the National Highway No.37 from Guwahati to Goalpara. It is away from traffic hustle of Guwahati city and provides a congenial atmosphere for diligent academic pursuit. It is an idyllic spot located 5 K.M. to the east of Lokapriya Gopinath Bordoloi international airport and 16 km from Guwahati Railway Station. Sprawled over more than 6 acres of land the institute is well connected to the city and to all other places of the country through various modes of public and private transport.

VISION OF THE INSTITUTE

To produce competent, disciplined and quality engineers and administrators having the drive, skill and confidence to become global pioneers of tomorrow.

MISSION OF THE INSTITUTE

To be a leader in providing quality education and training in engineering, technology and management by continuous development of infrastructure and enhanced state-of-the art equipment and facilities to satisfy its stakeholders – the students, parents, industry and the society. The institute is committed to enable meaningful learning by providing intellectually inspiring environment of learning, research, innovation, and Professional activity.

Programmes Offered

Under Graduate Programmes

Sl. No.	Programmes	Approved Intake
1	B.Tech in Civil Engineering (CE)	60
2	B.Tech in Computer Science and Engineering (CSE)	90
3	B.Tech in Electrical Engineering (EE)	60
4	B.Tech in Electronics and Communications Engineering (ECE)	90
5	B.Tech in Mechanical Engineering (ME)	90
6	B.Tech in Instrumentation Engineering (IE)	30

Admission will be on the basis of (i) Common Entrance Examination (CEE), Assam score or

(ii) JEE (Main) score

Other Programme

Bachelor of Computer Application (BCA)	30
--	----

Post Graduate Programmes

Sl. No.	Programmes	Approved Intake
1	Master of Business Administration (MBA)	60
2	Master of Computer Applications (MCA)	30
3	M.Tech in Computer Science and Engineering	18
4	M.Tech in Instrumentation and Control Engineering (ICE)	18
5	M.Tech in Electronics and Communications Engineering (ECE)	18
6	M.Tech in Thermal and Fluid Engineering (TFE)	18

To get admission into the M.Tech. programmes, the candidate has to qualify in one of the following Examinations:

(a) Graduate Aptitude Test in Engineering (GATE)

(b) GIMT Selection Test for M.Tech. 2018

GATE qualified candidates shall be given preference and need not appear in the ASTU/GIMT selection test.

ADMISSION PROCEDURE

B.TECH PROGRAMME

Eligibility Criteria:

(a) Admission into 4 Year B.Tech Programme:

(i) He/she must pass the Higher Secondary examination of the AHSEC or any equivalent examination with English, Physics, Chemistry and Mathematics as the subjects, in one seating. They must secure at least 45% marks in aggregate in Physics, Chemistry and Mathematics (40% for SC & ST candidates)

(ii) Must not be more than 21 years or not be less than 17 years of age on 1st August of 2018. Upper age limit is relaxable to 22 years in case of B.Sc. passed candidates.

For SC/ST candidate upper age limit may be relaxed by 3 years.

(iii) Must be mentally and physically fit and must possess a good moral character.

(b) Admission of Diploma Holders into 2nd Year (3rd Semester) of any of the 4 Year B.Tech programme:

(i) He/she must pass the Diploma in engineering in the relevant branch with a minimum of 50% marks in aggregate. Candidates fulfilling these conditions would only be eligible for appearing in the entrance test meant for lateral entry to degree programmes. The selection of candidates will be based on performance of the entrance test.

(ii) Must be mentally and physically fit and must possess a good moral character.

M.TECH PROGRAMME

Eligibility Criteria:

To seek admission into the M. Tech. Programme, a candidate

(a) He/she pass the Bachelor degree (B.E./B.Tech.) or equivalent in Engineering or relevant field. Must secure at least 50% marks (45% for SC & ST candidates) at the qualifying examination.

M.C.A. PROGRAMME

Eligibility Criteria:

(a) To be eligible for admission into 1st year MCA Programme:

(i) He/she must pass the Bachelor's degree (10 + 2 + 3) with a minimum of 50 % (45 % for SC /ST/OBC candidates) marks in aggregate or in Honours / Major subject (if any) from any recognized University.

(ii) Must have Mathematics as a subject in HS (10 + 2) or graduate level.

(iii) A student waiting for declaration of the result for his / her Bachelor's degree examination may also seek provisional admission. However, such a student must sign an undertaking stating that his/ her provisional admission is conditional and subject to fulfilling the eligibility criteria for admission stated above.

(b) To be eligible for admission into 2nd year (lateral entry) MCA Programme :

(i) Candidates, who have qualified in B.Sc (Computer Science/IT) / BCA with minimum 50% (45% for SC /ST/OBC candidates) marks in aggregate from any University.

(ii) Must have Mathematics as a subject in H.S. (10 + 2) or graduate level.

M.B.A. PROGRAMME

Eligibility Criteria:

(a) To be eligible for admission into MBA Programme:

He/she must have at least a Bachelor's degree from an Indian/Foreign University (recognised by UGC/AIU), securing not less than 50% in Major subject or in aggregate of the total marks for General category candidates and not less than 45% in Major or in aggregate of the total marks for SC/ST/OBC/other reserved category candidates.

How to Apply (for all courses):

Applicant can apply in two modes:

a) Online mode b) Offline mode

a) Online mode: Applicant can visit official website of GIMT www.gimt-guwahati.ac.in where link is provided as "Apply Online" for submitting online application.

b) Offline mode: Applicant can visit Admission Cell at i) GIMT Guwahati ii) SSA Pan-bazar for collecting prospectus and application form. However, the completed application form must be submitted at GIMT Guwahati, Azara, on or before last date of submission for the concerned course affixed by the institute at a later date.

Departments

DEPARTMENT OF INSTRUMENTATION ENGINEERING (AEI)

The Department of Applied Electronics and Instrumentation Engineering, GIMT-Guwahati, offers Bachelor of Technology and Master of Technology (M.Tech) Programme, under Assam Science and Technology University, Guwahati. The motto of the department is empowerment through quality education.

Strength of the Department

- The students are exposed to rigorous practical training in laboratories, linked to the theory subjects. A project/ research oriented Fiber-optics laboratory is also operational.
- Special soft-skill classes, short-term courses are conducted at regular basis. Experts from Industries and other educational Institutes are engaged for this purpose.
- Remedial classes are organized for weaker students.
- The Department has a library for the faculties and students.

Laboratories under AEI Department

- Control System Laboratory
- Industrial Instrumentation Laboratory
- Process Control Laboratory
- Fibre Optics and Instrumentation Laboratory
- Electrical measurement Laboratory
- Project Laboratory

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING(CSE)

The Department of Computer Science and Engineering started in September 2006 with an affiliation from Gauhati University. The department is offering B.Tech degree in Computer Science and Engineering from 2013 under Assam Science and Technology University. The Department is also offering the Master of Technology (M.Tech.) programme in Computer Science and Engineering from the academic session 2012 under Assam Science and Technology University.

Strength of the Department

- The B.Tech (CSE) programme has been provisionally accredited by NBA (National Board of Accreditation) for the year 2016-17, 2017- 18 & 2018-19
- Provide special coaching for Gate Examination.
- Placement facilities from the companies like Sony, Tech Mahindra , Zaloni , L&T Infotech, TCS etc.
- Encouraging students for presenting and publishing papers in national and international level symposiums, workshop, conferences and journal by providing incentives.
- Department organizes various value added programmes like FDP, conferences ,seminars, workshops etc.
- Guest lectures from Industry delegates on regular basis.
- Special Trainings are provided for enhancing soft skills and Technological Skills.
- Two teams from CSE had been selected for National level Technical event '**Hackathon**' held in MIT, Mangalore, and GIMT Nodal centre, Guwahati.
- The department has a library for the faculties and students
- The department has a coding club that encourages to think out of the box.

Software available under CSE Department:

WINDOWS, LINUX
VISUAL STUDIO
SQL
IBM RATIONAL ARCHITECTURE

IBM RATIONAL QUALITY AND TESTING
 MATLAB
 BORLAND C++ AND BUILDER
 ORCAD(CADENCE)
 LAB VIEW

DEPARTMENT OF CIVIL ENGINEERING (CE)

The Department of Civil Engineering at GIMT has been established in 2014 and offering the Bachelor of Technology (B.Tech) in Civil Engineering under Assam Science and Technology University, Guwahati. The course structure and syllabi for the B.Tech program are designed for imparting knowledge in the field of Civil Engineering and include theory papers like Design of structures, Surveying, Transportation, Hydraulics, Environmental engineering, Irrigation, Foundation engineering, Hydrology and flood management, Geo-technical engineering, Construction practice, Engineering geology and Rock mechanics, and a number of elective subjects.

Strength of the Department

- Faculties with background of educational institute of National Repute and some of the faculties have extensive experience in industries / field services
- Well equipped laboratories
- Library facility in the department
- Expert lectures from distinguished scholars are being arranged to enhance the knowledge base of the students
- Seminars and quiz on relevant topics are being arranged to enhance the knowledge base of the students
- Specialized elective courses are being offered.

Laboratories

- | | |
|--|-------------------------------------|
| • Solid Mechanics /Strength of Materials | • Transportation Engineering |
| • Engineering Survey | • Soil Mechanics |
| • Fluid Mechanics | • Concrete Technology |
| • Engineering Geology and Rock Mechanics | • Environmental Engineering |

DEPARTMENT OF ELECTRICAL ENGINEERING (EE)

The 4 year degree course of Electrical Engineering (B.E.) was started in the Institute in July 2008 under Gauhati University. Since August 2013, the department has started B.Tech degree course, under Assam Science and Technology University (ASTU)

Strength of the Department

- The B.tech (EE) programme has been provisionally accredited by NBA (National Board of Accreditation) for the year 2016-17, 2017-18 & 2018-19
- AICTE funded lab set up under MODROBs (Modernisation & Removal of Obsolescence) named **VIRTUAL CONTROL SYSTEM LAB** to carry out different projects on Electrical as well as Electronics Engineering.
- A Project laboratory on **PLC & SCADA** and Process Automation is setup under RPS (Research Promotion Schemes).
- A 2.0 kW off grid solar power plant has been established in GMT Campus under Suryamitra which is a skill development programme for diploma level students.
- Our faculties have extensive experience in industry, research as well as teaching. Our strength is a reflection of their skills, innovation & drive.
- The department has a library for the faculties and students of the department where more than 500 reference books as well as few magazines are available.
- The department of Electrical Engineering publishes a technical magazine "POWER- Path of Wisdom in Electrical Region" in every academic year.
- The department regularly organizes Symposiums, Talk-show, Technical Quiz, etc. in every academic year.

Laboratories under EE department:

- Basic Electrical and Electronics Engineering Laboratory
- Electrical Machines I & II Laboratory
- Measurements and Instrumentation Laboratory
- Analog Electronics Laboratory
- Power Electronics Laboratory
- Numerical Methods and Computation Laboratory
- Circuit Analysis Laboratory
- Control Systems Laboratory
- Power System Laboratory
- Digital Electronics Laboratory
- Project Laboratory

DEPARTMENT OF ELECTRONICS AND COMMUNICATIONS ENGINEERING (ECE)

The Department of Electronics and Communication Engineering was started in September 2006 affiliated to Gauhati University. Since 2013, B.Tech Degree programme has commenced under the affiliation of Assam Science and Technology

University (ASTU).

The Department has also started the Master of Technology (M.Tech) in Electronics and Communications Engineering since the year 2014 with the approval from AICTE and affiliation from Assam Science and Technology University.

Strength of the Department

- The B.Tech (ECE) programme has been provisionally accredited by NBA (National Board of Accreditation) for the year 2016-17 and 2017-18.
- Department has a team of dedicated and hardworking faculty members.
- Symposium, Workshop, Seminars on various popular topics are organized regularly in the department for student awareness.
- Gate coaching for GATE aspirant is organized for final year students
- Soft skill classes for student personality development are a part of the department level.
- Certified short term technical courses under IITB and AICTE are conducted in the department for students.

Special Feature of the Department

Available Software Tools

Cadence,
Xilinx,
MATLAB,
MultiSim & ViSim,
Communication System Simulation,
Labview etc.

Specialized Laboratories:

- VLSI (Cadence Virtuoso)
- Optical Communication Laboratory
- Microwave Engineering laboratory
- Microprocessor and Microcontroller Laboratory
- Analog and Digital circuit design Laboratory
- Analog and Digital communication Laboratory
- Control System Laboratory
- Digital Signal Processing Laboratory

DEPARTMENT OF MECHANICAL ENGINEERING(ME)

The 4 year B.Tech programme of Mechanical Engineering was started in July 2007 under the affiliation of Gauhati University. However, the affiliation was changed to Assam Science and Technology University in 2013. The department has also started M.Tech program in Thermal and Fluid Engineering from the session 2017.

Strength of the Department

- The B.tech(ME) programme has been provisionally accredited by NBA (National Board of Accreditation) for the year 2016 - 2017, 2017-2018 and 2018-2019.
- Gate coaching support to the students.
- MoU with Bosch for certified training within the campus.
- The department, in collaboration with Students chapter of the Institution of Engineers (India), Assam State Centre, conducts Seminar, workshop regularly.
- “Yantrik Cult” is an initiative by the Mechanical Engineering students, which organizes technical talks, seminars, workshops etc. on regular basis along with several steps towards social development.
- Soft skill classes for personality development of students are a part of the department curriculum.
- Certified short term technical courses under IITB and AICTE are conducted in the department for students.

14

Specialized Laboratories

- Engineering Mechanics Laboratory
- Mechanism & Machines Laboratory
- Fluid Mechanics Laboratory
- Heat Transfer Laboratory
- Metrology & Instrumentation Laboratory
- Material Testing Laboratory
- CAD Laboratory
- CNC Laboratory
- Refrigeration and Air conditioning Laboratory
- IC Engines Laboratory
- Fuel Injection Centre

DEPARTMENT OF BUSINESS ADMINISTRATION

The Department of Business Administration started functioning from July 2008 offering a full-time MBA Programme under Gauhati University. However, from 2013, the department has been offering a two year full-time Master of Business Administration (MBA) programme under the Assam Science and Technology University (ASTU). The course offers dual specialization in the areas of Finance, Human Resource, Marketing and Production.

Strength of the Department

- Seminars, workshops, social awareness programmes are regularly organised in the department
- The Department is well equipped with all modern teaching tools like OHPs & MMPs as well as a case study/reading room, library and computer Laboratories
- Industrial visits are conducted time to time for the students as a mandatory part of the MBA programme
- In order to enhance the employability skills of MBA students, soft skills trainings are provided to the students on a regular basis along with the University curriculum

DEPARTMENT OF COMPUTER APPLICATION (MCA)

The Department of Computer Application was started in the year 2009. The department offers following programs

1. Master of Computer Application (Approved by AICTE and Affiliated to ASTU)
2. Bachelor of Computer Application (Affiliated to ASTU)

The special features of the department:

The department offers:-

- Special Training on Linux administration / Database Administration.
- Finishing School Classes in grooming the students making Ready for employment.
- Specialized project works on GPS, Mobile Applications and various database applications using Java, PHP, Mysql and many more software tools.

The Department also organizes Industrial tours for the students to be conversant with the live software applications at different organisations.

GIMT FEATURES

- **NBA Accreditation (Provisionally) for B.Tech in CSE, EE, ECE. AEI & ME Programmes**
- First Self financed NBA Accredited Institute in North-east (www.nbaind.org)
- North -Eastern Nodal centre for Microsoft courses
- Girls' and Boys' hostel inside Institute Campus
- AICTE Sponsored Skill Development Training
- Special Preparatory classes for GATE/PSU's
- Entrepreneurship Development Cell (EDC)
- Well qualified and experienced faculties
- Active Training and Placement Cell
- Research & Consultancy Cell (R&C)
- Well Equipped Laboratories
- Mentoring for students
- BOSCH Training Centre
- Finishing School
- Canteen facilities
- Internet facilities
- Transport facilities
