Assam and Eastern States Section

14th October 2017

GIRIJANANDA CHOWDHURY INSTITUTE OF MANAGEMENT AND TECHNOLOGY
HATKHOWAPARA, AZARA, GUWAHATI – 17

ISTE Students' Chapter

Technical Model Presentation Competition

Venue: **GIMT – Guwahati Campus**, Time: **11 am to 1 pm**

The competition is open to **undergraduate students** of **any discipline** from any engineering college of the section. The participants will have to give a brief PowerPoint presentation on the innovative work done by them in their respective area of interest. All the presentation must be followed by a demonstration of the model. (Both for hardware and software models).

The rules of the competition are as follows:

- Each group should constitute three members.
 - The model should be an authentic work done by the group members and preferably related to the sub-themes of the event.
 - Time allotted to each group is 20 minutes (10 minutes for presentation and 10 minutes for demonstration/question from the judges).
 - The presentation should be brief and to the point.
 - The number of slides should be such that the presentation can be completed within stipulated time.
 - The time limit will be strictly maintained.
 - For software demonstrations, the participants will have to carry their own laptop.
 - For hardware demonstrations, the models should be movable enough so that they can be brought unto the place of presentation. Huge bulky models are hence discouraged.
 - The exact venue (Room no etc.) will be notified on the day of competition.
 - The decision of the judges will be final.
-

Please send your willingness to participate in the above event to any of the following:
