

**9<sup>th</sup> Section level Students' Convention**  
**INDIAN SOCIETY FOR TECHNICAL EDUCATION**  
**Assam and Eastern States Section**  
14th October 2017  
GIRIJANANDA CHOWDHURY INSTITUTE OF MANAGEMENT AND  
TECHNOLOGY  
HATKHOWAPARA, AZARA, GUWAHATI – 17  
**ISTE Students' Chapter**

---

**Poster Presentation Competition**

Venue: **GIMT – Guwahati Campus**, Time: **11 am to 1 pm**

- The competition is open to **undergraduate students** of **any discipline** from any engineering college of the section.
- Use a large font. Don't make the text smaller in order to fit more onto the poster. Make sure that 95% of the text on your poster can be read from 4 feet away. If viewers can't make out the text from a distance, they're likely to walk away.
- Choose a sans-serif font like Helvetica or Verdana, not a serif font, like Times New Roman. Sans-serif fonts are easier to read because they don't have extraneous hooks on every letter.
- Once you have chosen a font, be consistent in its usage. Use just one font.
- Don't single-space your text. Use 1.5- or double-spacing to make the text easier to read.
- There can be a maximum of two students in each group.

TOPICS:-

- 1 Solution of artificial flood problem**
  - 2. Internet of Things (IOT)**
  - 3. Clean and Green Energy**
- 

Please send your willingness to participate in the above event to any of the following:
